

New ACCA Collaboration Announcement - Earn Education Credits with NOVA

For those members interested in obtaining a degree or the accounting and business credits necessary for CPA licensure, we are very pleased to announce a new collaboration with the Northern Virginia Community College (NOVA.)

Founded in 1964, NOVA offers a quality and convenient educational experience at an affordable price. NOVA is the largest public educational institution in Virginia and the second-largest community college in the USA with over 70,000 students and 2,600 faculty and staff members. NOVA is also one of the most internationally diverse colleges in the USA with a student body comprised of individuals from more than 180 countries.

NOVA Online boasts an extraordinary number of accountancy and business courses available to prospective students throughout the USA. With flexible course options and frequency, you can be working towards your CPA credits from anywhere in the USA* at an economical price**.

We are extremely pleased to be able to offer this option to our membership throughout the USA.

Below is a sample of the accounting courses available (*3 credit hours each*):
