

TISHA B'AV AT THE VILLAGE SHUL 2022

Tisha B'Av - the 9th day of the month of Av - is the Jewish People's National day of Mourning. This powerful day gives us the opportunity to pause and reflect on the tragedies and challenges that we have faced as a Family since our inception. The tears that the Jewish People have shed were tears of pain and potential - pain over what we have lost, but tears of inspiration for the potential that we can still achieve.
