

# UJA COMMUNITY SECURITY

## Community Trustee Program August 2022

What is a Community Trustee? A community member who possesses security awareness and protocols knowledge for the purpose of increased situational awareness in Jewish community security.

They may or may not be affiliated with a community organization, and possess the knowledge and skills to volunteer in a security capacity.

All participants must be aged 18 years or over.

We will be hosting courses on a monthly basis, so if you cannot attend this one, please email your contact information.

Currently, we are offering two courses.

**Option A:** 4 weekly 2-hour sessions.

**Option B:** Sunday crash course.

\*\* Courses dependent on number of registrants.
