Principal

Tracy Mecca  
Assistant Principal

January 25, 2022

Dear Parent(s) and Guardian(s),

Starting Wednesday, January 26, 2022 each building will distribute **iHealth Rapid Antigen Test Kits** (one per child). As per the Lakeland Central School District office, it is the responsibility of the school to allow an adult member of the family to pick-up the test kit for each child in our school. An adult member of the family may come to the school main office between the hours of 9:00 am and 3:30 pm to pick up and sign out your test kit(s).

In order to facilitate an expedited pick up, please fill out and sign the form on the back of this notice and bring it with you along with identification when picking up the kit(s). All tests kits must be picked up by Tuesday, February 1, 2022.

If you have any questions, please feel free to call the main office at 914-245-7444.

Thank you,

Ken Craft  
Principal
