Robotics Systems and Controls, Mr. Mesh

Contact: Evan.Mesh@coloradoearlycolleges.org

- We will be working on our Change Up robots for an in-school competition. I would like all the teams to compile all their experience and skills they gained this semester and focus it into a robot that can play the VEX Change Up game for one final bout. This time it will be against other class members. May the best Robot Reign Supreme as Alpha Robo.
- Remote students will continue with research and programming activities/practices.
