

Dear Students and Parents/Guardians,

School of Choice enrollment for the 2023-24 school year will open to new students on November 1, 2022. Siblings of current students and CEC staff with students will have one-week priority consideration before we process all other enrollments. All students currently enrolled, except for graduating seniors, will automatically be reenrolled for the 2023-24 school year, you do NOT need to complete a new application! Students currently enrolled in 8th grade in the 2022-23 school year at McMurry Middle School will receive a separate email in January 2023, with instructions on what steps their 8th graders need to complete to transition into CECFC High School.

CECFC will host its first Informational Meeting on Tuesday, October 25, 2022. To RSVP or for more information regarding *CECFC High School* meetings, click [here](#). To RSVP or for more information regarding *CECFC Middle School* meetings, click [here](#). Families that are interested in both the middle and high school should RSVP for the middle school meeting which will include the opportunity to come over to the high school for a tour.

Please share these links with family and friends. CEC will once again be offering up to \$100 gift cards for every new student referred to CEC through our Refer-A-Friend "RAF" program. For additional information on RAF, click [here](#).

All families planning to enroll a new student should gather the following documents to have available when completing the enrollment process:

- Immunization records
- Birth certificate, Passport, or State issued ID
- Transcript (incoming 10-12<sup>th</sup> graders) or Report Card (incoming 6-9<sup>th</sup> graders) - Homeschool families, please use CEC Homeschool Transcript Forms located on the [CEC Website](#) under documents and forms.
- Legal documents if applicable (i.e., guardianship)

We look forward to having new members of your family and friends as CECFC students in the fall!

Sincerely,

CECFC Admissions Team
