

● COMMUNITY OUTREACH MEETING — OPEN TO ALL RESIDENTS

# Your streets. Your voice.

LOCATION Centre Concord, 5298 Clayton Rd, Concord, CA 94521

DATE Monday, March 30, 2026

TIME 6:00 PM

## What is the CSAP?

The **Comprehensive Safety Action Plan (CSAP)** is a data-driven roadmap to eliminate traffic deaths and serious injuries on Concord streets. We're identifying the highest-risk locations citywide and prioritizing real solutions — better engineering, smarter enforcement, and community education. **Your input shapes the plan.**

### What we want to hear from you:

- Which streets or intersections feel unsafe?
- Where are people driving too fast?
- Where do you worry about walking, biking, or your kids getting to school?
- What safety improvements matter most in your neighborhood?

#### 1 Attend — Monday, March 30

Show up, hear the findings, and tell us which streets worry you most.

[concordsafeststreets.org](https://concordsafeststreets.org)

#### 2 Take the 5-Minute Survey

Can't make it? Share your safety priorities online — anonymous and confidential.

[concordsafeststreets.org/survey](https://concordsafeststreets.org/survey)

#### 3 Stay Involved

Visit the project website, report a concern on the interactive map, or share with your neighbors.
