

# Kids In Crisis **HOLIDAY CENTRAL**

*support a deserving family. today*

**Holiday Central is just around the corner, and your participation would mean the world to us.** Every year in November Kids In Crisis undertakes a huge effort of collecting and distributing gifts to children in need throughout Fairfield County to help to make the holidays special. This effort is only made possible with the help of corporate and community volunteers, generous donors like you, and many caring individuals. This annual tradition brings joy to children from over 500 families throughout Fairfield County during the holiday season.

For these families, the holidays can be tough, and your support truly makes a difference.

## ❄️ Here is how you can help: ❄️

- **Shop Our Amazon Registry:** Visit our Amazon Wishlist and purchase items directly, which will be delivered to Kids In Crisis.
- **Sponsor a Family:** Fulfill a family's wish list by providing four essential items for each child: shirt, pants, a coat, and a toy. We'll provide specific details, and you can order online, shipping to our Holiday Central location. A special thank you to North Greenwich Congregational Church for hosting us again this year.
- **Sponsor a Holiday Dinner:** Support our holiday dinners for 20 children who are spending the holidays at Kids In Crisis' SafeHaven Shelters.
- **Donate Gift Cards:** Contribute any amount for gift cards such as Visa, American Express, Target, Old Navy, or similar options. These will help us purchase last-minute items for children and their families.
- **Create an Office Giving Tree:** Hang one wish per child for team involvement and engagement.

**All items should be received by Friday, December 5th, at North Greenwich Congregational Church, 606 Riversville Rd., Greenwich, CT 06831.**

Your kindness embodies the spirit of Kids In Crisis during the holidays. Questions? Please contact Jennifer Febles at [jfebles@kidsincrisis.org](mailto:jfebles@kidsincrisis.org) or [203] 461-3109 if you have any questions or would like to learn more about how you can help children and families during the Holidays.
