Summer Camp 2020

1313 W. Mount Vernon Ave.
Milwaukee, WI 53233
414-272-5462 kgmb.org

Week-long summer camps!

Enjoy science, nature, and
environmental themed activities,
games and field trips.

Note to families

Summer camp is a fun-filled week of exploring and expanding upon common interests with other kids. We know your child is intelligent and capable of great things. We would like to foster that independence at camp. We encourage curiosity, creative thinking, team-building, and friendly competition. Our goal is for your child to form friendships, learn new things, and develop an increased desire to help and care for the Earth.

We are excited to see you this summer!

-KGMB Education Team
