## Resident Connect Supporting Low-Income Housing

Resident Connect is a cutting-edge property and vendor management system meticulously designed by forward-thinking tech entrepreneurs with over two decades of experience in the tech industry. It is used exclusively by property managers and vendor management companies.

### Supporting The Nonprofit Housing Sector

We have extensively researched the software programs used for property management—and they're costly! As a local Manitoba company, we have decided to offer our new software to Manitoba nonprofit housing providers at prices lower than they'll find anywhere else!

Yes, we have a fantastic product that is incomparable. Of course, as a start-up, money is important to us, but so is being a good citizen, and by offering our software to nonprofit housing providers, we can help them slash their operating costs so they can focus on helping those who need it the most.

To all the nonprofit housing providers, contact us to learn how you can drastically reduce your operating costs and save taxpayer money by using our software, **FREE FOR LIFE!**

**Offer to nonprofit housing providers is the use of our property management software for FREE—for LIFE!**

### Attention Manitoba Property Management Companies!

While we care about supporting our community, we also hope you will support local by considering using our software. Wouldn't you feel better knowing your money is staying in Canada? Why use American companies when you have a better solution right here at home?

**We are LOCAL!** You can actually walk down to our office on Pembina Highway for an in-person meeting. That's much better than talking to a chatbox on a website!

We also guarantee that we will provide you with more of the features you need at the lowest price.

We take pride in the work we do, and we look forward to introducing you to our amazing ReCo App!
