

### PROGRESSO VILLAGE NEIGHBORHOOD STORMWATER IMPROVEMENTS PROJECT

The City of Fort Lauderdale is working with Man-Con, Inc. to make improvements to the stormwater system in the Progresso Village neighborhood to enhance its efficiency and reliability.

#### **Pedestrian Impacts: September 22- October 13, 2025**

- A portion of the Riverwalk near the Broward Center for the Performing Arts will be closed to pedestrians while crews remove pavers to repair a 72-inch stormwater pipe that runs along SW 5th Avenue.
- The stairs that connect the Riverwalk to the Broward Center for the Performing Arts will be inaccessible.
- A portion of the grassy area within Esplanade Park near SW 5th Avenue will be closed.
- Please follow posted signs and exercise caution in the area.

Since construction began in April 2025, 78 drainage structures and 14,536 feet of stormwater pipe have been installed. Work is typically taking place weekdays between 7 a.m. and 6 p.m. This schedule is subject to change based on inclement weather or other unforeseen circumstances. Construction is expected to be completed in fall 2026.

Thank you for your patience as we upgrade our stormwater system. Updates will be shared throughout construction on the City's website at [ftlcity.info/pvnslp](http://ftlcity.info/pvnslp).
