

CITYWIDE STORMWATER PIPE REPLACEMENT PROJECT: SAILBOAT BEND

The City of Fort Lauderdale is working with Southeastern Engineering Contractors to replace existing stormwater pipes that were damaged during the April 2023 flood event.

Traffic Impacts: February 16-27, 2026

Crews will be replacing a stormwater pipe along SW 3rd Court between SW 14th Avenue and Olssen Avenue / SW 13th Terrace starting Monday, February 16, through Friday, February 27. Work will take place daily between 8 a.m. and 5 p.m.

- SW 3rd Court will be open to local traffic only between SW 14th Avenue and Olssen Avenue / SW 13th Terrace.
- Traffic will be detoured to Middle Street, SW 14th Avenue and Olssen Avenue / SW 13th Terrace.
- Access to on-street parking spaces and homes will be maintained.
- Please follow posted signs and drive with caution in the area.
- SW 3rd Court will reopen to traffic during non-work hours whenever possible.

Construction on this stormwater pipe replacement project began in Sailboat Bend on Monday, January 5, 2026, and is expected to be completed in spring 2026. This schedule is subject to change based on inclement weather or other unforeseen circumstances.

We apologize in advance for any inconvenience and thank you for your patience while we complete this important work. To see a map of work areas and learn more about the Citywide Stormwater Pipe Replacement Project, visit ftlcity.info/csprp.
