Reflections: The State of School Mental Health— Courageous Conversations and Healing Practices

Join us

Education leaders, school psychologists, counselors, social workers, and mental health providers will gather to share promising practices and reflect on needs and progress in school mental health supports.

This meeting is an opportunity for peer networking, problem solving, and path-building to accelerate the adoption of practices to address the needs of children and youth who are most at-risk or who are experiencing emotional and behavioral challenges.

Monday, October 28, 2019

Center for Educational Improvement

The New England Childhood-Trauma
Learning Collaborative Fellows

The Childhood – Trauma Learning Collaborative (C-TLC) is a network of school psychologists, social workers, and school administrators. Through a series of webinars, resource sharing, a monthly e-Newsletter, assessment measures, and dissemination and technical assistance, the C-TLC helps schools address the needs of students who have experienced/are at risk of experiencing significant trauma.

The C-TLC fosters alliances to help schools identify training and technical assistance needs to aid with the prevention and recovery of mental illness and other trauma. **Learn about services you can receive as part of the network of C-TLC schools and districts in New England.**

The Discussion: 2:00 pm – 3:30 pm

What are some of the most promising practices being implemented to improve the wellbeing of students who are at risk or are experiencing emotional and behavioral challenges? *Learn from experts as they compare the relative merits of current best practices and describe how innovations can lead to important gains for children and youth.*

- **How can I register?**
There is no registration fee. We invite educational leaders, school officials and administrators, educators, social workers, school psychologists, and mental health professionals to join the New England C-TLC Fellows to participate in our afternoon dialogue, [“Best Practices in School Mental Health from 2:00 pm – 3:30 pm.”](#) We anticipate attendance of 100 and registration will be open on a "first come, first served" basis at the above link.
- **Who is convening this meeting?**
This meeting is a convening of the [New England Mental Health Technology Transfer Center \(New England MHTTC\) Network](#). The purpose of the MHTTC Network is technology transfer – i.e., disseminating and implementing evidence-based practices for mental disorders into the field. Funded by the Substance Abuse and Mental Health Services Administration, the MHTTC Network includes 10 Regional Centers, a National American Indian and Alaskan Native Center, a National Hispanic & Latino Center, and a Network Coordinating Office.
- **Will meeting attendees earn continuing education units (CEUs) and/or receive certificates of participation?**
Thanks to a partnership with C4 Innovations, we are offering 1.25 hours of continuing education credit to attendees from:
 - Association of Social Work Boards
 - NBCC (National Board for Certified Counselors)
 - NAADAC (National Association of Addiction Professionals)

[Register](#) for our afternoon dialogue, “Best Practices in School Mental Health.”
If you have questions regarding the session and/or the full day meeting, contact the Center for Educational Improvement at info@edimprovement.org.
