VISION: A health care system that addresses financial well-being.

MISSION: To help families build wealth by ensuring they receive the money that is due to them.

SERVICES

TAX PREPARATION

We offer free, IRS-certified tax preparation to make sure you get all the tax credits (Earned Income Tax Credit & Child Tax Credit) you're owed! Worth up to \$3600 per child.

529 COLLEGE SAVINGS ACCOUNTS

A 529 College Savings Account lets you save for your child's education.

Open an account in the first year of your baby's life or within the first year of adopting a child; Massachusetts will put \$50 in it to get you started!

These accounts don't hurt your ability to get other benefits like SNAP (foods stamps).

FAMILY SELF-SUFFICIENCY PROGRAM

Do you live in federally subsidized housing (Section 8 voucher or public housing)?

You might be able to join the Department of Housing and Urban Development's (HUD's) Family Self-Sufficiency (FSS) program.

Families get one-on-one help from a financial coach to reach goals like improving credit or saving for a home.

When your rent increases because you start making more money, the extra amount of money you pay in rent goes into a savings account. This money is yours to keep at the end of the program!

Families do not lose benefits like food stamps (SNAP) while in the program.

IMPACT TO DATE

Over **\$11 million** returned to more than 5,000 families since 2016.
