

# Vital Village's Data Storytelling Workshop

*Who's telling the story  
of your community?*

We're leading the work and growth in our community, let's also take control of how our story is being told.

Join Vital Village Networks for the free, virtual Data Storytelling Workshop series and build your **capacity to create and share stories** that support **social change** using data tools.

## Program Details

1. Attend or listen to a recording of an introductory call on **June 28 at 6pm**.
2. Participate in **at least one** of three monthly workshop sessions this summer
3. Participate in **at least one** bi-weekly data support office hours this summer.
4. Present your data story at the National Community Leadership Summit in October.
