Preserving our past...fostering our future

January 2025

Dear Arnold Preservation Council member,

APC was very active this year, facing a host of challenges. First, both the Chick-fil-A proposed development and the Region 4 comprehensive zoning process demanded much of our time and effort. (And we're by no means finished with Chick-fil-A!) In addition, we worked on at least ten other development projects, two Mill Creek stream restoration projects, the continuing construction of the Broadneck Trail, and the ongoing plans by the state to expand Route 2. Please review our compilation of Efforts and Concerns for a complete accounting of not only what we attended to in 2024, but also those issues we expect to address in 2025.

APC is an all-volunteer membership organization, and your financial support is critical for us to carry out our mission. Please continue your support by renewing your membership for 2025. A membership form is attached. Dues remain the same, having not changed in at least 15 years! Please fill out the form and return it to Arnold Preservation Council, P. O. Box 852, Arnold, MD 21012. Note that Community/Homeowner associations, businesses, organizations, and institutions, are also asked to fill out the second page of the form. (We have been investigating an online renewal process, but at this time, it is not functional.) Additionally, please seriously consider whether you can help APC with any of the listed volunteer opportunities. APC greatly values a strong and dedicated Board of Directors and set of officers. Your help with these positions would make us more able to meet the serious issues before us.

APC is a 501(c)(3) organization, so all dues and donations are tax-exempt to the fullest extent of the law. Please think of us when you consider donating funds. We promise to be good stewards of your donations.

APC is grateful to each of you for your support in 2024 and we hope you will rejoin us for 2025.

With best wishes,

Sue Ricciardi
