COMMUNITY PARTNERSHIP PROGRAM 2023-2024

WINDOM CHAMBER
PROMOTE · UNITE · DEVELOP

The Windom Area Chamber of Commerce is looking to continue to build on our benefits, advertising efforts, programs and events. To conserve time from soliciting individual event participation, sponsorship, etc. COMMUNITY PARTNERSHIP packages are available. Should Standard Membership be all that you are able to commit to, we understand and appreciate your continued support. Standard a' la carte sponsorship and participation will still be available to you. We are also willing to customize a package that specifically suites your needs.

Thank you again!

(Amounts noted will be in addition to standard Chamber Membership Dues)
