**JULY 13, 2017 / 6:00 PM – 8:00 PM**

**CORONADO COMMUNITY CENTER**

**Introduction and brief background: John Weidert**

**Break into smaller groups**

**Roundtable Questions**

1. Do you support or oppose the construction of an outdoor swimming pool?
  - a. Why or why not?
2. Would you support one main pool in Hot Springs Village, or several smaller neighborhood pools?
3. Should we consider the pool to be a shared value amenity (meaning property owners should share in the cost through assessments because it upholds the overall community value) or an individual value amenity (meaning the usage fees charged should 100% support it and as such, design and operational decisions should be based on the level of support)?
4. Are there other amenities you would like included in a pool site? (Park area, pavilion etc.)
5. Should the pool host swim meets, competitions, and private parties?
6. Do you consider the primary use of an outdoor pool to be recreational or fitness related?
7. How should we fund the construction? (special assessment, reserves, borrowing)
8. What type of food and beverage service should be available (snack bar, full service etc.)? Should alcoholic beverages be available for sale?
9. What are the most important features in an outdoor pool? (zero entry, splash pad, etc.) Did anyone bring example photographs to share with the group?
10. Would you support an extended pool season (beyond Memorial Day through Labor Day)?
11. Pros and cons of having lifeguards?

**Final thoughts and questions from the audience.**
