

Phase 2 - Golf Operations Update

To protect our members, guests and employees please abide by the following guidelines.

All golfers must maintain a minimum physical distancing of six feet between one another.

Golf Course Setup and Maintenance

- Holes will be filled with foam noodles for easy ball retrieval.
- No bunker rakes, ball washer or sand receptacles.
- No trash collection onsite. Players should remove their own trash.
- Flagsticks should not be touched for any reason.
- No on course amenities.
- Water on course is not be available. The player should bring their own water and remove trash upon leaving.
- On course restrooms are sanitized frequently, Only one person at a time.
- Walking on the cart paths or course is not permitted when the golf course is open for play.
Please adhere to the rules for safety and courtesy reasons.
- Fishing is prohibited on all golf course ponds.

Carts/Guidelines for Play

- Players can either walk or ride alone (single cart policy) in properly sanitized golf carts.
- Immediate family or approved pairings may ride together in properly sanitized carts.
- Carts are sanitized after every use. We use bleach or bleached based supplies and are not responsible for clothing issues. For extra protection, please bring extra towel or wipe cart before using or encountering remaining residue.
- All clinics, camps and organized activities will remain suspended.
- Tournaments - no shotgun starts allowed, tee times starts only with strict CDC guidelines.
- Please no handshakes or high fives.
- Golfers must email your golf milestones directly to the Village Voice -News@HSVvoice.com.
Please include all the pertinent information.

Payment/Cash Handling

- Credit cards or debit cards are preferred and used with proper social distancing.
- Please no more than 4 people in our golf shops at a time.

Practice Facility

- Practice facilities may be open but are restricted with golfers every other station and practicing strict social distancing.
- Buckets are not used, please bring your own receptacle.

Signage

- Mandatory signage throughout facility outlining CDC Guidelines.
