

Come enjoy the Lake DeSoto experience. DeSoto Marina is now open for boat rentals and gasoline sales from 9:00 AM to 4:00 PM. Boats must be rented by 3:00 PM and returned by 4:00 PM. Hours will be extended as the season progresses.

Bait sales will start with Night Crawlers available on March 15th, Crickets available on April 2nd, and minnows available in late April (upon completion of the new bait house).

Boats for rent include a Pontoon Party Barge, a Pedal Boat, a Canoe (up to three persons), single Kayaks, tandem Kayaks, and our newest addition, Corcls. A Corcl is a round play craft that is paddled. Rentals of Kayaks and Corcls may be limited on a daily basis while the water and air temperatures are too low. Availability is posted daily until temperatures rise.

Sunset Cruises are scheduled for each Tuesday at \$10 + tax per person. A minimum of four and a maximum of eight guests are required. Custom tours for one or more people are available during business hours. See basecampar.com for other outdoor adventures. Please call (501) 922-5511 for reservations or further information.
