**Kamp Kairphree** operates out of the Eastern Civic Center. Specific units will go to Greenwich Point Beach each day, excluding Wednesdays. Campers are bussed between these locations.

One field trip per session may require a signed permission slip. With your permission, campers will go to the movies, ice-skating, and more!

Special events are also held here at the Civic Center throughout the summer. In previous years we have welcomed Danny Magic, a popular Italian ices cart, and waterslide events!

One session always hosts our annual Kamp Kairphree Olympics! Competitions, Banners, Tug-o-War at the beach, and a big cookout!

On both regular days and on field trip days, a bag lunch must be brought from home. Drinks are provided.

Campers will be sorted into units by age on the first day of each session. Units of similar ages will travel and play together. Camper to counselor ratio is approx 5:1.

Our daily routine consists of a rotating schedule. All campers come to the Civic Center in the mornings (**Except Wednesdays, read on!**).

From there, some will travel to the “front” of the beach, and some to the “back.” Those campers at the beach will

swap sides at lunchtime. Call our hotline daily to find your child's unit for late drop off or early pick up.

In addition to lots of swimming and free beach time, there are also group games, activities, and arts & crafts! Older campers may also participate in overnights.

### **Wednesdays are special here at Kamp Kairphree!**

All campers go directly to Island Beach pier and take the ferry to spend the full day there. They do not come to the Civic Center at all on Wednesdays unless there is inclement weather. **Always call the hotline, it will be updated daily!** On rainy days, special accommodations are made to keep all campers at the Civic Center. Our camp has full use of all the rooms at the center as well as the entire field and two playgrounds, assuring lots of room for all of our campers to play.
