## Information and Registration

We are excited to announce that we have a new hockey program available to skaters ages 5-18, that will be under the direction of GHS & Greenwich Cardinals Youth Hockey coach Neal Rich. This program offers 5 different level classes for beginners through elite hockey players. Coach Neal, along with other hockey coaches throughout Greenwich, will be offering very integrated and skill based classes for those interested in pursuing the sport, or those who are looking for additional hockey practice to accelerate the progress of their skills. The sessions for each class will be offered either 1 or 2 days a week based on the level, and will incorporate drills, stations, and full ice game situations for the higher levels.

Born and raised in Fairfield county, Neal has been playing hockey since the age of 6. Having played in his youth for the Stamford sharks then for Stamford High School Black Knights where he was a member of the Div 1, 2002-03 FCIAC Championship team.
