HOPPIN' KIDS MUSIC CLASSES

IMAGINE A MUSIC CLASS JAM PACKED

with singing, movement, laughter, and fun with your child!

These “Hoppin’ Music Classes” are designed for **EVERYONE** to have fun while children learn the basics of music through play. We will go on a musical train ride, get down and boogie, do the occasional musical crafts, and check out different instruments while jamming along with fun, age appropriate music. Many of the movement based songs are designed to reinforce early language development and an understanding of the world around them. Come jam with us!

Classes are held in Darien, New Canaan, Greenwich.
