## Recordkeeping Report

DATE SENT	NAME/INITIALS - DATE ACKNOWLEDGED	TEXT	MEDIA
3/1/25	AW	Did you know you could make 500 people sick with the amount of bacteria that can fit on a pinpoint?	
3/7/25	AW	Workers must never harvest produce that has dropped on the ground.	
3/14/25	AW	What's risky here? It's best to keep cats out of areas where produce is handled.
