

Peter Matthew BSc; BA(Hons); DipUPI, MSc (Econ)

Executive Director: Housing, Planning and Communities
London Borough of Hounslow

Peter is responsible for all aspect of housing policy, management, maintenance and services; new housing development; strategic planning, regeneration and economic recovery and growth; development management; corporate properties and building control; and community enforcement and regulatory services.

He was previously Director of Housing, and Assistant Director, Housing, Leisure and Public Health.

Before joining local government, Peter spent 25 years in Whitehall, rising to Divisional Director roles, including for climate change and sustainable buildings; home buying and selling reform; local development and renewal; and liveability and sustainable communities.

Prior to the Civil Service, Peter spent 4 years mapping the Island of St Lucia and reforming its land surveying and registration systems; and 3 years preparing the masterplan for the development of Cap Estate Ltd - the largest housing, leisure and tourism development on St Lucia.
