

TALENT SOLUTIONS

**Helping you to attract the best early talent
and upskill your existing workforce to
support their growth in your business**

Brunel University London is a multidisciplinary University, based in Uxbridge, West London. Brunel is home to over 14,000 students from more than 130 countries, enrolled on full-time, placement and postgraduate courses and more recently higher and degree apprenticeship programmes.

Recruit our students

- Access over 10,000 undergraduates actively seeking employment.
- Promote part-time jobs, summer internships, industrial placements, and graduate level roles via our free jobs board.
- Opportunity to participate in both online and in person events such as career fairs, webinars and drop-in sessions.

Upskill your workforce

Enrolling your workforce on one of our higher or degree apprenticeships will allow you to:

- Boost employee performance
- Fill key skill gaps in your business
- Improve retention rates

Apprenticeships can be a cost effective way for your business to upskill its workforce and/or attract early talent. If you would like to find out more about how your business could benefit from offering apprenticeships or if you are interested in expanding your business's portfolio of apprenticeship providers and programmes, please contact Shane Adams, Business Development Manager (Apprenticeships)
