

# THE PALLETS YARD LIMITED URGENTLY REQUIRES A ...

## PALLET REPAIRER / YARD ASSISTANT / RELIEF DRIVER

**The Pallets Yard Limited**, a busy pallet recycling yard based in Southall, is urgently seeking a skilled, hard-working individual to repair broken wooden pallets, as well as to provide general yard assistance and driving support.

This is very physical role, involving lifting, bending and moving pallets throughout the day. Other responsibilities include inspecting, sorting, storing and loading pallets, as well as maintaining a tidy pallet repair space, office and yard.

Experience in the pallet industry is important. The ability to operate a forklift, use hand and basic power tools including nail guns, replicating saws and claw hammers would also be advantageous, although not compulsory, as onsite training will be provided.

You must be able to work in the UK and as the role involves collecting and delivering pallets within the M25 area using a 3.5-ton van, a clean, Standard UK driving licence is required.

The Pallet Yard Limited is based in an open yard space, so you must enjoy working outdoors, and be able to work under supervision as well as independently.

Reasonable oral and written English and Maths skills are also required to deal with business paperwork, clients, suppliers and site visitors.

Contract: Permanent, full time

Rate: Depends on skills and experience

Days: Monday to Friday

Hours: 07:00 – 17:00, based on a 45-hour week

Overtime: Occasional overtime on weekends.

We are looking to recruit as soon as possible, so please contact **Ruth-Anne Lynch** on **07930 464 585** or email: [ruth@thepalletsyard.co.uk](mailto:ruth@thepalletsyard.co.uk) to discuss the vacant position.
