ayman@thecorporategroup.ae

Ayman is the Co-Founder and Group Managing Director of The Corporate Group. He is in charge of subsidiaries responsible for delivering one-stop-shop of professional services related to business setup solutions and enabling both FDIs and foreign companies to do business in UAE and the region.

He has attracted businesses across all sizes and industries such as but not limited to education, healthcare, technology, energy, professional services. Some of these businesses are listed in global stock market while others are start-ups offering disruptive technologies/ideas in UAE and GCC.

Furthermore, his experience includes advising companies for corporate structuring and merge & acquisition transactions, developing operational framework that delivers unique customer engagement with clients and stakeholders along with association with both private and government sectors.

PAST WORK EXPERIENCE:

- Worked in Government Resource Planning project (currently known as Smart Dubai) for Oracle implementation across local government departments of Dubai Government (2002-2006)
- Co-Founder of Zeroday IT Solution, an information and cyber security consulting company based in Dubai (since 2007)
- Managing Director of Corporate Business Services, a corporate service provider company specialized in company formation solutions and business consultancy based in Dubai (since 2007)

PERSONAL ACHIEVEMENTS:

- Awarded for outstanding performance and achievements made in GRP project (currently known as Smart Dubai)
- Participating as judge for various business award programs within UAE
- Active speaker in number of local and global seminars/webinars and conferences sharing knowledge and experience around entrepreneurship and legal/operational framework of doing business in the UAE
- Active member of Institute of Directors, Hawkama at DIFC
- Member of advisory board for ARCET Global, leading organization in awards programme in UAE
- Founding member of Business Incubator of Entrepreneurship and Innovation Center @ American University in Dubai (AUD)

Ayman is fluent in English and Arabic. He earned his BA in Business Administration and Information Systems at University of Colorado (USA).
