Hurricane, WV 25526

Questions? Call 304-542-3969

All crafters will supply their own tables. Two chairs will be provided for each booth space. An additional chair may be requested, if needed. The United Methodist Women will have hot dogs, drinks, baked goods, candy, and other goodies available.

The crafts and books will be located in the gym/Family Life Center. The Country Store and food service will be in the fellowship hall. We are looking forward to this event for mission outreach in the community.

To insure a space, please complete your application promptly. Consider your check as your receipt and confirmation that you have a booth space in the exhibit. You will be contacted if there is a question about your application, if you are selling a duplicate named product, or if the Festival is completely booked. To make application by email, please call me with your email address.
