

Got questions? Most of us have them, and the turmoil of 2020 churned up lots more: Why is this happening? What is it all about? Where can I really find meaning? Where is God in the mix of pandemic, injustice, riots, and fear-mongering?

Alpha is a great opportunity to dig into those and other questions. It's a ten-week course built around great conversation and interesting topics. Even though Alpha provides a strong introduction to the Christian faith, you don't have to be a believer to enjoy it. In fact, everyone is welcome on Alpha. No question is off limits on Alpha. Come as you are and invite a friend!

We are not certain what restrictions will be in place this fall. So this Alpha is happening online. During the height of the quarantine, it was amazing to see online Alpha courses grow beyond anyone's expectations all over the world. There are thousands of Alpha courses happening online today. The advantages are huge when you think about it: No need to leave home, find a babysitter, gas up the car, or watch out for deer crossing the road.

One man who was finishing Alpha said, "This is the best investment I've made in myself in my whole adult life." Alpha is still a great investment today!

Alpha will happen Tuesday evenings (7-8:15 pm) via Zoom, starting September 15. Each evening starts with some relaxed welcome time. Pastor Jeff might even tell a joke! Then we'll watch an interesting video on the evening's topic, like "How does God guide us?" or "How can I deal with evil?" After that, we'll discuss the topic and the video. There's never any pressure, and we end promptly at 8:15. It's going to be fun!

Get in touch with Pastor Jeff (Text 612-812-1783 or email [pastorjeff@opendoornewlondon.org](mailto:pastorjeff@opendoornewlondon.org)) to sign up. And don't forget to invite a friend to join you!
