## Sugar Ray Robinson defeats Carmen Basilio for middleweight title

On March 25, 1958, [Sugar Ray Robinson defeats Carmen Basilio](#) to regain the middleweight championship. It was the fifth and final title of his career.

Robinson is considered by many to be the greatest prizefighter in history. No less an authority than heavyweight champion [Muhammad Ali](#) has said, "My idol will always be Sugar Ray Robinson, who was, and remains, one of the best pound-for-pound fighters to have ever lived in this century."

Sugar Ray Robinson was born Walker Smith, Jr. in Ailey, Georgia, on May 3, 1921. Smith got his boxing name when he borrowed his friend Ray Robinson's Amateur Athletic Union (AAU) card to enter a boxing tournament at the age of 16. He won that tournament and, still using the assumed name, turned professional in 1940, winning his debut bout—the first of 40 consecutive victories. Robinson won his first championship in 1946 when he defeated Tommy Bell for the welterweight title, which he held for five years.

The next year, at the height of his boxing career, Robinson had a premonition before a fight with Jimmy Doyle that he might kill his opponent. After being convinced to enter the ring, Robinson defeated Doyle, who sustained injuries in the match that led to his death.

Robinson did not lose a professional fight until 1950, when he faced Jake LaMotta as a middleweight. LaMotta was a feared puncher with an iron jaw, and he outweighed Robinson by 16 pounds. In their first of six fights, he knocked Robinson down and out-pointed him on the judges' scorecards. Robinson, however, would defeat LaMotta in each of their next five fights, including a 1951 drubbing dubbed the St. Valentine's Day Massacre, during his famed 91-fight winning streak. The 1951 fight was portrayed in Martin Scorsese's 1980 LaMotta biopic *Raging Bull*.

Robinson retired in 1952, and went on to try his hand as a dancer and bandleader in his adopted hometown of Harlem. He returned to the ring in 1955, out of shape and sluggish, but still good enough to regain the middleweight title. He lost the title in 1957 to Gene Fullmer, who knocked him down for the first time since LaMotta sent him to the floor six years earlier. Robinson defeated Fullmer in their rematch, but then lost the title to Carmen Basilio, a steady puncher whose claim to fame was that he had never been knocked down. Going into their championship rematch, held this day in 1958, the once-indomitable Sugar Ray was a 2-to-1 underdog.

Robinson and Basilio traded punches for the majority of the match, with Robinson closing Basilio's left eye completely by the seventh round. (Basilio later said that he could not see after the fourth round.) In the ninth round, Basilio came out attacking, and Robinson stopped slugging and started to box, dancing and jabbing at Basilio. This was the last great fight of Robinson's career, and he showcased all of his veteran skills, avoiding Basilio's punches and delivering a stunner in the 15th that nearly knocked Basilio down. In the end, the three judges awarded Robinson the victory and his fifth middleweight title, a record for any men's division.

He has a congenial attitude, a wonderful work ethic and has strong electrical skills. John also has a skill set that is well rounded in general maintenance. When John is finished with a project it is 100% complete. He actively seeks to help fellow coworkers. He has shown excellent work behavior in every aspect of his job.

John, we appreciate you and congratulations on employee of the month!

## 2024 EMPLOYEE OF THE YEAR

Esteban Figueroa, the Foreman at Cottonwood Golf Maintenance, has done a great job of communicating the daily goals for the team. He is pleasant, very calm and manages the team with a mature attitude. In the past year, Esteban learned a new complex irrigation control operating system. The sprinkler and satellite controller project at Cottonwood taught Esteban a new skill in computer language.

Esteban developed new overseeding programs for both CW Golf Course and the Common Areas to include the 5-Lakes, Swan Lake etc. He worked additional hours adjusting run-times up-n-down, rewriting programs to ensure the field station data matches the computer programs by verifying the satellite identifications from the field matched central irrigation control system. There were several problematic days getting the field satellite controllers to correctly 'talk' to each other, such as, he changed out several irrigation nozzles to ensure we weren't overapplying water to unwanted areas.

Lastly, Esteban has worked tirelessly through obstacles of balancing the lake levels throughout the property. Esteban developed programs to manage irrigation usage against water deliveries for lake levels while working within the budgeted annual allotment from Pima / ADWR.

Thank you, Esteban, for being awesome! Congratulations on the well-deserved honor as our 2024 Employee of the Year!

## PLEASE DRIVE - 25!

Please remember the SPEED LIMIT in Cottonwood and Palo Verde is a maximum of **25 MPH**. Why? Because we have walkers, pets, bikers and golf carts on our roads and we all want to be safe.

Some of us still work, so we must be somewhere on a schedule. Or, thank goodness, some of us are involved in our community by serving on committees or belonging to one of our fine recreation clubs. Again, we are on a set schedule. But guess what? The speed limit is still **25 MPH!**

Please pay attention to your surroundings when driving on our streets. Please pay attention to the road signs when driving on our streets. Please use your turn signals when driving on our streets. **AND – PLEASE WATCH YOUR SPEEDOMETER WHEN DRIVING ON OUR STREETS! THANK YOU!**

Guests are defined as persons residing in the household of the homeowner or renter (**while the owner or renter is in residence**) for periods not to exceed 30 days per year.

**REMEMBER** - Guests require a pass to use any of the amenities if they are not with you. Guest Passes are required at the Fitness Activity Center along with a \$5/day fee!

## PET OWNERS

When you are out walking your pet and enjoying the Cottonwood Palo Verde surroundings, please don't be one of the inconsiderate pet owners who does not pick up after their pet. This failure forces the rest of us who wish to enjoy the same surroundings to tip toe around the mess created by you and your pet. PLEASE pick up after your pet at all times.

Pets must be on a leash at all times and don't walk your pets next to the greenbelt fence line. Walk them next to the walking path.

CHAPTER 6-03 SECTION II of the Sun Lakes HOA #2 Policy Manual defines all the rules and fines for pet violations.

The Homeowner Handbook states: No homeowner shall permit his or her dog, cat or other animal to create unsanitary conditions anywhere on common properties.

Please be accountable for you and your pet.

## BIKING AND WALKING SAFETY

Each year in the U.S., more than 65,000 pedestrians are injured and about 5,000 are killed by cars. This hasn't yet happened in our community. We want to do all that we can to prevent such accidents. We don't have sidewalks, so a few precautions for walkers and bikers are important, especially this time of year when more walkers are out and visitors are in town.

- **Walk facing traffic.** Do all that you can to be seen by drivers. Wear light colored clothing and something reflective. In the dark, carry and wave a flashlight as you walk. Try to make eye contact with oncoming drivers. If walking your dog, keep your pet on a short leash, wearing a reflective collar or leash. Most importantly, walk facing traffic, close to the curb, NOT in the automobile traffic lane.
- **Bike with traffic.** At night, be sure your bike has a light and reflectors, especially on the back. Wear light colored clothing. Be extra aware of traffic approaching you from behind. Install a mirror. Bike close to the curb, NOT in the automobile traffic lane.

Be sure to have identification with you and carry your cell phone. **DRIVERS**, please be extra alert during the dark hours and drive SLOWLY.

## THESE PATHS ARE MADE FOR GOLFERS

Every path on and around the golf courses are made for golfers to get around. At no time are these paths to be used by non-golfers for walking, jogging, bike riding, dog walking, etc.

Anyone caught violating these rules will be stopped and asked to leave. The rules apply to everyone who is not golfing and will be enforced 24 hours a day-7 days a week. Yes, this means no walking at night .

There are walking paths around the Five Lakes in Cottonwood for walking and exercise. Please enjoy our amenities and use them as intended.

**The Monthly Board Meeting**, traditionally held on the last Wednesday of the month, addresses the Board agenda set at the Agenda Planning Meeting. This meeting typically includes a financial report; Board, Committee, and Management reports; Board comments; recommendations from administration and committees and presentations by invited guests. This meeting also provides the forum for homeowner's comments or questions.

**Workshops** are occasionally planned and are posted before the scheduled date.
