SHAKE Baby SHAKE

Shake Baby Shake is the explosive retrospective stage show biography of the golden age of Rock & Roll. Performing the hits of the major artists of the 1950's & 60's, pumpin' piano entertainer Lance Lipinsky and his authentic showband the Lovers, tell the story behind the music as the audience is encouraged to dance and request songs in an interactive concert atmosphere. What made Elvis Presley shocking? Who was Big Joe Turner? What would it have been like to witness and hear real live Doo Wop harmony in it's original tone?

Also featuring the charming "Lovettes," the three dazzling young ladies honor the girl groups and major female artists of the decade such as the McGuire Sisters, Chordettes, Lavern Baker, Connie Francis, Ronettes, Shangri-Las, the Supremes, Etta James & more!

MOZZARELLA & BURRATA Cheese Making Class

Sunday February 23rd

4:00 pm-\$50 per person

Saguaro Room-Bartender on duty

This class is a beginner level where you will learn an easy and delicious 60 minute mozzarella recipe. You will also learn what milk type works best for this recipe and why. We will be introducing the enzyme rennet, which is used in cheese making to aid in the protein separation of the milk. Each group of students (about 4-5 per group) will start with milk and finesse it over the course of the class to produce a delicious fresh warm mozzarella. We will have some hands-on fun as we stretch & taste the curds. We'll also be taking the curds and making a tasty Burrata, a stuffed mozzarella. During your experience in this class, you will learn simple techniques in cheese making that you will continue to use. We will also be discussing the best wine & beer pairings that go with these cheeses! This class & type of cheeses are a great place to start if you're new to cheese making. Not only is this class fun, you will walk away with the desire to learn more about making homemade cheeses. You will leave the class with your own copies of the recipes of the cheese we made and the knowledge to make your own cheese at home.

Mediterranean Cooking Class

“Food is in all aspects of a person's life in Lebanon. This country is known as the melting pot of the Middle East because over the course of history many civilizations gathered here, bringing their own recipes and their own way of creating food.

The Lebanese people have gathered this culinary knowledge and used it in their cuisine.

Because Lebanon is a melting pot, the countries that surround it have similar cuisines.

Consequently, Israeli and Greek food are noticeably similar to Lebanese cuisine.

I come from a huge family in Lebanon where food is the center of each gathering. Making food is an outlet for women to socialize and dining brings the whole family together, no matter what the occasion is.

Lebanese dishes are cooked with olive oil, a substance that has no saturated fat. It has proven to lower your risk of heart disease, cancer and strokes.

Coincidentally, populations from the Middle Eastern region have longer life expectancies.”

- Vivanne Saady / Instructor & Chef -

Other popular ingredients used in Lebanese dishes include bulgur, garlic, parsley, and mint. Baba Ghanoush, eggplant dip that is everyone's favorite. Fattoush with Sumac & Pomegranate.

Different colors of Hummus with Vegetables. Last but not least, the famous Lebanese flat bread for dipping.
