The 56tees

Put Your Glad Rags On

we're gonna blow the roof off this joint!!

"The '56tees" bring back to life, one of the purest forms of American Roots music and lays it down with style. From blues-tinged, hip-shakin' rockers like "Johnny B. Goode" and "Shake, Rattle & Roll" to the sultry, starlight ballads of "Love Me" or "Unchained Melody", Bret's silky-smooth, powerful vocals make every female swoon and the fellas want to run ou t and race with their buddies for pinks! The ethereal twang of a Fender Tele on tunes like, "Sleepwalk" and "Honey Don't" are reminiscent of Carl Perkins and James Burton. The solid "Mad Lou's" steady playing on the Electric & Upright bass along with "Smiling Jim" laying down the beat on the skins while Eric fills out the powerhouse sound on the Keys – Just wait 'til you see the boys rockin out to the fun filled tunes of yesteryears "the best of years" – unbelievable!
