

FITNESS RESOLUTION

Every year on January 1, many of us think about making changes or Resolutions for the upcoming year. In Cottonwood Palo Verde, those who are concerned about health and fitness have a great facility for use with the Fitness Activity Center. This facility is open 7 days a week to our homeowners and guests.

Amenities include more than 34 cardio machines including Treadmills, Ellipticals, Recumbent Bikes just to name a few plus a full assortment of LifeFitness machines for full body resistance training. A stretching area and a complete line free weights. Over 30 Group Fitness Classes, Massage Therapy, multiple Personal Trainers and a Doctor of Physical Therapy on-site for users of the Center. For complete details about the Fitness Activity Center, please visit with Manager Neil Hicks or call 480-272-6484.

Below are some tips for making 2025 an improved year for Health and Fitness.

- **Be specific:** Set specific goals, like exercising for 30 minutes, five days a week, or losing one to two pounds per week.
- **Be realistic:** Set realistic goals for yourself. For example, if you don't eat vegetables often, start by adding one serving to a meal each day.
- **Track your progress:** Use a wearable fitness tracker or exercise-tracking app to stay motivated. You can also track your progress by taking selfies and posting them on social media.
- **Find a fitness buddy:** Exercising with a friend can help you stay motivated and accountable.
- **Meal prep:** Meal prepping can help you eat healthier by making it easier to avoid unhealthy options.
- **Get enough sleep:** Sleep deprivation can increase your risk of weight gain, heart disease, and depression.
- **Make exercise a routine:** Integrate fitness into your daily life at least 10 times each month.
- **Celebrate your milestones:** Break your goals into smaller steps and reward yourself for each one.

GUEST PASSES

If you are expecting family and friends over the Holidays, get your Guest Passes AHEAD of TIME to avoid the lines.

Remember - Guests require a pass to use any of the amenities if they are not with you. **Guest Passes are required at the Fitness Activity Center along with a \$5/day fee!**

Cable TV in the Fitness Center

Due to our on-going issues with the Connectivity of our Cable TV System that serves our Cardio Equipment.

As of November 1, 2024 the FAC will no longer offer Cable TV service to our Cardio Machines.

The FAC has 5G internet connections for your Personal Electronic Devices. We will have a sheet with Walking Apps that you can download to your PED's.

We understand that this is a big change and ask for your understanding during this transition period.

We apologize for any inconvenience this may cause.

GROUP FITNESS CLASSES

◇ = Low Intensity
◇◇ = Medium Intensity
◇◇◇ = High Intensity

Absolutely ◇ / ◇◇

Exercises for Core, Trunk, Stabilization and Balance. We will use mats, weights, bands, and balls to increase the efficient use of the abdominal muscles. Please wear comfortable workout clothing and have the proper shoe attire. Bring plenty of water to keep our bodies hydrated.

Brains & Balance ◇ / ◇◇

Brains & Balance is a specialty class that focuses on staying mentally sharp and physically stable. As we age, it is important to be able to stand upright and steady as we carry out our activities of daily living and reduce the risk of falling. The Brains portion of the class will focus on combining simple exercises in fun and unique ways to challenge proprioception by engaging the brain to process and follow instructions while executing various patterns of movement. The Balance exercises will strengthen and stretch all the muscles important for stability, balance, and posture at each joint of the body. Participants will be standing and moving during the entire class. Chairs will be provided for those who require modifications or need to rest.

Chair Dance ◇

Think you can't dance? Try it in a chair!! This exciting class will give you a total body workout while sitting and/or standing using a chair for support. Lively music and choreography will keep you smiling and fit! Wheelchairs/walkers welcomed!

Chair Yoga ◇

One of the gentlest forms of yoga available. Students perform postures and breathing exercises with the aid of a chair. Students experience the many benefits of yoga without having to get up or down from the floor. Benefits include increased balance, strength, flexibility, range of motion, and stress reduction.

Daily Burn ◇ / ◇◇

This class combines cardio and muscle toning all in one high/low workout. Lots of band work and a total body, heart pumping, aerobic and strength conditioning workout!

Fitness With Julie ◇◇ / ◇◇◇

Full body Monday morning workout to get your week off to a great start! Be surprised each week as Julie guides you through tried-and-true workouts. All levels are welcome to join a supportive group as we combat osteoporosis, build muscle as well as get our heart rate up and burn calories!

Full Body Conditioning ◇◇ / ◇◇◇

A fun class that you will love! Work all major muscle groups in just 45 minutes. Total body workout challenging your body using a variety of equipment, exercises, drills with a mix of cardio, strength training, balance, core and flexibility.

Functional Fitness ◇ / ◇◇

This class focuses on total body and core strength while incorporating light cardiovascular work. Utilizing a variety of equipment, each class includes balance, stretching, mind exercises, strength and activities of daily living. This is the perfect all-around class for seniors in one workout. This class may be done standing or seated.

Hatha Yoga Flow ◇◇ / ◇◇◇

Challenging flow-style class (Sun Salutations) designed for the fit and healthy. Gain strength, balance, and flexibility. Breathe, move, stretch, and relax. Modifications will be offered for different levels of ability. However, this class is not suitable for those who wish to do yoga in a chair.

Kickboxing ◇ / ◇◇ / ◇◇◇

This electrifying fusion of kickboxing and strength training creates the perfect balance for your entire body. Enjoy a mixture of the boxing that you love while simultaneously sculpting your body with weights, medicine ball, kettlebells and core exercises. Open to all skill levels. You will need gloves and a positive attitude.

Pilates ◇◇ / ◇◇◇

A system designed to strengthen the body through the core, spine, and the breath. It helps with core strength, improves fitness and well-being, focuses on balance, flexibility, and coordination. Learn body awareness through controlled movements. Low impact while restoring natural posture and improving body alignment. This class is offered on a mat, a chair, or a combination of both. All fitness levels are welcome!

PowerBurn ◇◇◇

Looking for a nice change in your fitness routine that hits every muscle group? This class offers combinations of interval cardio and strength training movements that will get your heart rate up and feeling superior at the end of each class.

Power Chair Yoga ◇ / ◇◇ / ◇◇◇

This class uses light weights and the use of a chair, as the instructor guides you through poses that will cultivate strength, flexibility, and body centered restful awareness. This class is for everyone, challenges and modifications will be offered.

GROUP FITNESS CLASSES (CONT'D)

Restorative Yoga ♦ / ♦♦

Restorative Yoga is done at a slow pace, focusing on long holds, stillness, and deep breathing. Done on the floor, yoga props are used for support to help the body fully relax. Bring a couple of bath or beach towels to roll up for bolsters. Recharge, relax, and restore with this class!

SAIL (Stay Active & Independent for Life) ♦ / ♦♦

An evidence-based fall prevention program created by the Washington State Public Health Department. A mixture of aerobics, balance and strength training that can be done seated or standing. The best way to prevent falls is to stay fit. SAIL is a good place to start and continue for fitness levels I and level II.

SPY ♦ / ♦♦ / ♦♦♦

A new and innovative way to merge 3 fitness classes into ONE! Stretch, Pilates and Yoga. The perfect class for the fitness enthusiast! Brings together the Benefits of all 3 disciplines at one time!

Strength Training ♦♦ / ♦♦♦

Essential to staying strong and vital during adulthood. It can benefit health by improving mobility, maintaining or increasing muscle mass, can increase energy levels and prevent osteoporosis by increasing bone density. We use free weights, bands, and balls for a full body workout. Join the fun and get stronger, live longer.

Total Body Conditioning ♦♦ / ♦♦♦

High Intensity Interval Training allows you to burn more calories all day long. Let's build muscle, bone, practice cardio and proprioception. This class is for all levels, move at your own pace, sweat and have fun!

Total Knockout (Neurological Assistance) ♦

A series of standing and seated movement exercises, sometimes using props such as punching bags, balance pads, and balls to promote strength, flexibility and balance. Participants are given tools through rhythm, and movement sequences that help agility and mobility associated with Parkinson's.

VinYasa Yoga ♦ / ♦♦

VinYasa Yoga-Experienced in all styles of Yoga. Emphasizes comfort and stability, prioritizes safety and breathing. Teaching the in-depth understanding of physical and philosophical aspects of Yoga.

Yin Yan Yoga ♦♦ / ♦♦♦

The yin style of yoga is done holding into various poses while lying or sitting down on a yoga mat. The deep holding of poses targets connective tissue of muscles and joints especially in the hips and spine to help with range of motion and release tension along fascial lines of the body. The practice of yin is done with a mindful awareness of the breath to calm the nervous system and balance the meridians of the body. The class includes the use of props including blankets, blocks, and straps as well as essential oils and sound healing.

Zumba ♦ / ♦♦

Zumba is a fusion of Latin and International music. Utilizing dance themes that create a dynamic, exciting, effective fitness system. The goal is to have everyone smiling and sweating!

Zumba Tone ♦ / ♦♦

Zumba Toning is perfect for those who want to party with extra emphasis on toning and sculpting to define those muscles. The challenge of adding resistance by using light weights, helps to focus on specific muscle groups, keeping them engaged. Enhances sense of rhythm and coordination, while toning target zones, including arms, core, and lower body.

Levels are stated as ♦ / ♦♦ / ♦♦♦ because the participant will determine how hard or intense he or she will work in the classes.
