Plan Today for Peace of Mind Tomorrow!

You are taking the first steps to get this process under way. Many Individuals, families and business owners procrastinate this very important area of planning. We are humans and have the gift of optimism. The common thing we hear when someone speaks with us is "I know we need this done" and when it's complete, "I feel so much better!" None of us are promised tomorrow. You will be surprised how easy the process is after it's complete. Most of our customers are pleasantly surprised that the cost are much lower than they imagined. Don't let the perceived high cost or lack of time get in your way of planning. I assure you that not planning cost much more time and money than just getting it done.

The 56tees

PUT YOUR GLAD RAGS ON
we're gonna blow the roof off this joint!!

"The '56tees" bring back to life, one of the purest forms of American Roots music and lays it down with style. From blues-tinged, hip-shakin' rockers like "Johnny B. Goode" and "Shake, Rattle & Roll" to the sultry, starlight ballads of "Love Me" or "Unchained Melody", Bret's silky-smooth, powerful vocals make every female swoon and the fellas want to run out and race with their buddies for pinks! The ethereal twang of a Fender Tele on tunes like, "Sleepwalk" and "Honey Don't" are reminiscent of Carl Perkins and James Burton. The solid "Mad Lou's" steady playing on the Electric & Upright bass along with "Smiling Jim" laying down the beat on the skins while Eric fills out the powerhouse sound on the Keys – Just wait 'til you see the boys rockin' out to the fun filled tunes of yesteryears "the best of years" – unbelievable!
