STAFF SPOTLIGHT & WEEKLY LUNCH SPECIAL

THE DISH:
Meatball Sandwich

An Italian roll filled with beef and pork meatballs covered in house-made marinara, melted provolone cheese and topped with fresh basil

Note from Chef Chris:

Don't cry, this sandwich will have our snowbirds saying "welcome to the jungle" and "you could be mine" for only $13. It will feel like paradise city the minute you take a bite and it will chase away any thoughts of November rain. You will need to show a little patience to get this sweet child o' mine once the community gets a load of this rocket queen. It's so easy to feel like you're knocking on heaven's door after the first bite and you will be thinking of last week's special as you used to love her, but this sandwich is one in a million. Goes great with Nightrain but don't let Mr. Brownstone interfere with your lunch plans.

*Available Tuesday 11:00am - 3:00pm & Wednesday - Friday 11:00am - 4:00pm
