

Refer a New Student – Receive a Referral Credit

It's not too late to invite new students to join us for the 2019/2020 school year!
We have space available in Grades Kindergarten through 8th grades and 11th grade.

Sharing your CVCS experience with others pays off! You will be eligible to receive a Referral Credit if you are listed on the new student's application as the referral family. That credit is applied toward tuition during the school year in 2 parts. You can read more details regarding qualifications by clicking [here](#). We will proactively notify families who are listed. [And a student will get to experience a Biblically infused education.](#)

Referral Credits are granted for EACH new student enrolled:

- \$500 tuition credit for each new full-time Kindergarten (5 day) through 12th grade student
- \$300 tuition credit for each new 3-day or 4-day Kindergarten student
- \$100 tuition credit for each new Preschool or Prek student

(For 2018/2019 families, the Momentum Discount would also apply.)
