

Jamie York's Waldorf Math Summer Camp

August 2-19, 2021. Cost: \$140.

This special summer camp is ideal for students who need to do a bit of “catching up” to feel confident about entering the next math school year. Each camp is for a “rising” student, (i.e., 7th grade is for a student going into 7th grade).

Grades 6 and 7 taught LIVE via Zoom by Jamie York. Jamie is an internationally renowned Waldorf math educator and author of the Making Math Meaningful™ curriculum. Jamie has been teaching for nearly 25 years.

Grades 8 and 9 taught LIVE via Zoom by Sean Aronson. Sean is a seasoned math instructor who has worked extensively and deeply with the Making Math Meaningful™ curriculum.

Sessions are taught LIVE 4-days a week (Monday through Thursday) for 55 minutes.

- Grade 6 starts at 10am MT (which is noon ET and 9am PT).
- Grade 7 starts at 11:30am MT (which is 1:30pm ET and 10:30am PT).
- Grade 8 starts at 10am MT (which is noon ET and 9am PT).
- Grade 9 starts at 11:30am MT (which is 1:30pm ET and 10:30am PT).
