# Why Attend?

- Develop valuable business connections with like-minded successful female colleagues and potential clients.
- Enhance personal and professional business skills through informative seminars.
- Recharge! Leave feeling empowered, inspired and excited about your path.
- Plus! Celebrate working women during March, National Women's History Month.

# Conference Background

In 2005 the Cape May County Chamber of Commerce seized the opportunity to highlight the important role women fill in the workplace. The conference set out to provide working women with the personal and business skills that would help them grow personally and as a business professional. Over the past ten years this event has grown in popularity and purpose. The 10<sup>th</sup> annual conference expanded the conversation beyond just women, addressing the need for equal opportunity for both men and women in today's business world. The conference highlighted the non-traditional roles men and women now fill in the workforce today. Join us for the 2017 Women in Business conference as we continue to address the needs of working women.
