WHY ARE WE GOING?

New Life Centers (NLC) connects inner city Chicago youth and their families to Christ and community through life-on-life relationships. Through mentoring, community care, education, sports, peace keeping and violence prevention, NLC comes alongside people in under-resourced communities to bring hope and foster long-term transformation.

Through a partnership with Mt. Horeb, New Life Centers expanded its food distribution (which feeds over 2000 people per week), migrant crisis shelter (shelters 240 people), mentoring and family support initiatives. While in Chicago, you will get to witness Mt. Horeb's partnership with NLC and participate in some of their ministries, such as the food bank, community outreach programs and community events.
