All general contractors will be notified via email by Tuesday January 28th, 2020, as to whether or not they have been pre-qualified. A mandatory pre-bid conference will be held on Friday, January 31, 2020 at 10:00 AM CST at the City of Vestavia Hills City Hall Executive Conference Room, 1032 Montgomery Hwy Vestavia Hills AL 35216 for the purpose of reviewing the project and answering Bidder's questions. Attendance at the Pre-Bid Conference is required for all Contractor Bidders intending to submit a Proposal, and highly recommended for all Subcontractors. Bids from Contractor Bidders who do not attend the Mandatory Pre-Bid Conference will be rejected. The Vestavia Hills New Community Center project, hereinafter referred to as the project, is an addition and modifications to an existing Gold's Gym building now owned by the City of Vestavia Hills. The building is located next to Vestavia Hills City Hall just off Highway 31. The project will include interior and exterior demolition, minor earthwork and utilities improvement, asphalt and concrete curb and gutter modifications to the existing parking lot, as well as new hardscape, landscape and irrigation systems. The existing building will include some glazing system (curtain wall and storefront) modifications and repair, as well as modifications to the north and south facades to provide new entrances into the building. The south entry will include a new entrance alcove and modifications to the existing entry canopies, the north entrance will include a new pedestrian bridge from City Hall property into the second level of the existing Gold's Gym building. The new gymnasium addition will be a steel structure with CMU and steel stud wall backup with concrete masonry veneer and aluminum storefront glazing system(s) to match the existing building. The interior of the New Community Center will include a mix of multi-purpose recreational rooms, renovated locker rooms, multi-functional meeting spaces and a new conference center. In order to pre-qualify the bidders, work experience must be primarily General Contracting. Specialty contractors will not be allowed to bid as a General Contractor. The General Contractor will provide all labor, materials, equipment, tools, transportation, insurance and sub-contractor services for construction of a complete facility. The total estimated construction cost is \$15,000,000 to \$16,500,000 with a construction period of 14 months after the official Notice to Proceed. Bids must be submitted on proposal forms furnished by the Architect and contained in the Bidding Project Manual, or original copies thereof. All bidders bidding in amounts exceeding that established by the State Licensing Board for Contractors must be licensed under the Provision of Title 34, Chapter 8, Code of Alabama, 1975, as amended, and must show such evidence of license before bidding or bid will not be received or considered by Architect or Owner; the bidder shall show such evidence by clearly displaying their current license number on the outside of the

sealed envelope in which the proposal is delivered and on the Proposal Form. The Owner reserves the right to reject any or all proposals and to waive technical errors if, in the Owner's judgement, the best interests of the Owner will thereby be promoted.
