

COVID-19 Acknowledgement of Risks

According to the Centers for Disease Control and Prevention (CDC), the COVID-19 vaccination is recommended for everyone 12 years and older. Over the past year, a significant number of Ohioans have received the vaccination. COVID-19 infection rates have fallen, and indoor and outdoor mask mandates, as well as related social distancing restrictions, have been lifted in many settings.

Plans to return to in-person learning for the upcoming 2021-2022 school year, including athletics and extracurricular activities with spectators. In doing so, Guardian Angels School will evaluate and consider the health and safety guidelines recommended by the CDC and the local health department.

Despite the progress made in combatting COVID-19, we, the undersigned parent(s) and student, acknowledge and agree that, as a student at Guardian Angels School and as parent(s) of that student, entering in the school or being on the premises, having personal contact with teachers, classmates, and other Guardian Angels School staff, still involves a certain degree of risk, namely of parent(s) and/or student acquiring a communicable disease, including COVID-19, and then potentially passing it on to others, including family members. Due to the highly contagious nature of COVID-19, the characteristics of the virus, and the close proximity of students (and their parent(s)), teachers, and staff at Guardian Angels School, there may still be an elevated risk of contracting the disease simply by being in the building, on the premises, or at any Guardian Angels School function. This risk may be even greater for those who are not vaccinated for COVID-19 and those who do not wear a face mask.

By signing this Handbook below, we acknowledge and agree that after carefully considering the risks involved, and having the opportunity to discuss these risks with any healthcare professional(s) of our choosing, we voluntarily and willingly accept those risks and acknowledge that returning to in-person learning and other in-person school activities and functions, is the choice of each family, including ours. If student or parent(s) who visit Guardian Angels School have underlying health concerns which may place them at greater risk of contracting any communicable disease, including COVID-19, we acknowledge and agree that we will consult with a health care professional before student or parent(s) return to Guardian Angels School, attend any Guardian Angels School Guardian Angels School function, or visit Guardian Angels School.

Moreover, we acknowledge that while any safety and precautionary measures we take on our own (e.g., wearing a facemask or being vaccinated for COVID-19) may reduce possible exposure to the risk of contracting a communicable disease, the possibility of serious illness and death remains. We do hereby accept and assume sole responsibility for any illness acquired by student or parent(s) while at Guardian Angels School or any Guardian Angels School function, including possible infection with COVID-19.

We further acknowledge, understand, and agree that we have obligations to the school and parish, its employees/staff members, students, and others to take certain precautions and make certain disclosures to prevent the spread of COVID-19 as outlined by the CDC, the State of Ohio, and/or and the applicable local public health department.
