**Uniform Policy**  
**2022-2023**

Guardian Angels School's uniform policy places an emphasis on modesty, cleanliness, and appropriate grooming. The presentation of our students is a symbol of the pride demonstrated at Guardian Angels School. Students are expected to be neat and presentable, therefore representing Guardian Angels School in a positive manner. Parents should be aware of appropriate apparel and overall appearance of their children prior to leaving for school each day.

The complete uniform must be worn on the first day of school. The administration has sole discretion in making final determinations about the regulations listed in the school's uniform policy. "Out of uniform" days are designated by the administration and only affect the type of clothing worn. All other regulations will be in effect on these days.

The Uniform Policy is part of the Code of Discipline. Students will receive a written warning for each uniform infraction. Three infractions will result in a disciplinary point and loss of subsequent out of uniform days.

Guardian Angels uniform items containing specific school plaid or logo, must be purchased from Schoolbelles, Lands End (tops only), Usports (tops only).
