**2. Speed and Agility Training with Nicki Skylis**

Nicki Skylis is the CUP Soccer program South director for ages U11-U13, '07 & '08 CUP Head Coach and Director of QSA (soccer&speed/agility) group and individual training. We are excited to offer this long running after school training program at GA! This is a great program for all kids of all abilities and ages that participate in a variety of all sports...or no organized sports at all.

"In this class, I will provide exercise, strength, quickness, coordination, agility, running mechanics and overall fitness. I want to provide a way for kids to have fun while exercising and a way for kids to become more physically fit. This class will have a strong focus on the correct running form and mechanics because most kids are never taught how to run properly. Through other exercises, I will also teach the right way to control the body during exercise and sports which will help prevent injuries. Plan to have a lot of fun being active!!" – Nicki Pendleton Skylis
