

Guardian Angels Athletic Boosters Scholarship

Guardian Angels Athletic Program strives to provide a positive sports experience, while teaching the fundamentals of each sport and preparing children for high school athletic programs. The GA Booster Board is dedicated to providing the best possible athletic program for the children of our parish.

Catholic Youth Athletics furthers the mission of the Catholic Church by providing sports experiences for the youth that are firmly rooted in the Catholic faith tradition, based on the goals of the Catholic Youth Ministry, and aligned with the evangelizing mission of the Catholic Church.

Beginning in spring 2019, the Athletic Boosters will award two \$1,500 non-renewable scholarships to one male and one female to help with the costs of a Catholic high school education.

Eligibility and requirements

- 8th grade student enrolled at Guardian Angels school or a student parishioner enrolled in CCD.
- Participant in at least one athletic program sponsored by GA Boosters within the last two years.
- Registered in Catholic high school for the 2019-2020 academic year.
- Submit the application form.

- Submit an essay of 300 words or less on how participation in the Guardian Angels athletic programs has helped develop the values, character, and skills you will need in high school.

Applicants do not necessarily have to plan to continue their sports participation at the high school level, and all applicant essays should highlight how grade school sports participation prepared the applicant for the challenges he or she anticipates in high school. Essays should illustrate how participation in sports laid the foundation for continued faith development, academic effort, leadership development, and service learning.

- Essays and applications should be **submitted by 3 p.m. on Thursday, March 14 in the Guardian Angels School main office.** Award notifications will be made no later than April 15, 2019.
