We follow USA Football's coaches training and player safety guidelines with coaches certified at all levels. Coaches are trained and certified in Concussion Awareness, Lindsay's Law practices, and Virtus. Player Safety is our #1 concern. Coaches teach the appropriate fundamentals at each level which help our players become better prepared and skilled in the sport of football.

What do our Moms say?

"Being a member of the GA football squad began teaching my son commitment and discipline. It challenged him both physically and mentally and built character that he can carry on in life." -Cara L.

"Our family has truly enjoyed being a part of the GA football community. I appreciate the emphasis on safety by the coaches. The focus on teamwork, commitment and respect has made a very positive impact for my son. He has developed strong friendships and has grown so much from his involvement with football." -Holly L.
