

# INFORMATIONAL COFFEE FOR PROSPECTIVE FAMILIES

## Come Learn More About Our Community!

Have you considered sending your children to Guardian Angels School? This is the perfect opportunity to come see everything GA has to offer your family.

Our Informational Coffee event provides parents an opportunity to see classes in session. You will also have time talk with our administration and ask current GA parents about their experience here at Guardian Angels School.

Guardian Angels School offers a Catholic education for students in preschool through eighth grades.

Tuition for the 19-20 school year will be available before enrollment for the coming year opens in January.

**Tuesday, November 13**

Please RSVP to [tstrah@gaparish.org](mailto:tstrah@gaparish.org) by November 11<sup>th</sup>.
