# Class Descriptions

## YMCA at Austin Community Recreation Center

---

**MORNING BURN • NOON BURN • AFTER BURN** – Designed to provide a total body workout and to elevate your heart rate. These burn classes utilizes athletic drills, ropes, bodyweight exercises, plyometrics, kettlebells, and more to develop strength and conditioning through functional exercise.

**AEROBIC FUSION** – Fun, challenging, moderate/fast paced movement sequences incorporating marching, grapevines, pivots, turns, knee lifts and much more! Come to class ready to exercise your body and your mind!

**ACTIVE AGELESS STRENGTH** – Active Ageless Adults programming focused on maintaining an individuals independence, bone density, muscle integrity and cardiovascular endurance.

**ABS** – Express class designed to attack the abdominal & lower back muscles. Come to class warmed up.

**BARRE** – Combines elements of barre, dance and yoga. Exercises are high intensity and low impact, choreographed to fun and motivating music, and emphasize toning the legs and butt, as well as strengthening the core.

**BATTLE ROPE INTERVAL** – Get ready to sweat with this high energy, circuit style training incorporating Battle Ropes, Kettlebells and so much more.

**BATTLE ROPES** – High intensity workout that will focus on your abs, back, glutes and legs. Incorporating movements such as jumps, lunges, and squats.

**BODY SCULPT** – Muscle conditioning class that provides a balanced total body workout.

**BOOTCAMP** – Fun workout that includes obstacle courses, stations and circuits. This workout contains cardio and strength conditioning and works on your power and agility. Featuring HIIT, Tabata and Interval style workouts.

**CARDIO PUMP 30/30** – Full-body workout that will consist of strength training, abs and flexibility. A workout truly for anyone in just one hour!

**CIRCUIT FUSION** – Low to mid-impact interval/circuit based movement designed to improve your cardiovascular fitness. May incorporate balls, step & hand weights to provide additional resistance and challenge.

**CYCLEBOX** – The ultimate cardio workout hitting both upper and lower body by alternating intervals of cycling and boxing.

**CYCLE** – Indoor cycling workout incorporating visual imagery, verbal cues and energy zones. All fitness levels welcome as cyclists work at their own level.

**GENTLE PILATES** – A softer more basic approach to building that back, core, and upper body strength. Boosting range of motion and joint mobility while getting stronger and more flexible.

**GENTLE YOGA** – Joining body, mind, and spirit to achieve a full-body experience. While taking a moderate approach to the traditional yoga class.

**GROUP POWER** – is designed for all fitness levels utilizing an adjustable barbell, weight plates, and body weight to perform lunges, presses, curls, and squats to strengthen all muscle groups. This is a low weight, high rep class that uses traditional strength training concepts in a large group setting with great music and even better energy!

**HIIT** – A form of interval training with a strategy of alternating short periods of intense anaerobic exercise with less intense recovery periods followed by a cool down. Improving overall athletic performance and metabolic conditioning. Workouts are tailored to each and every fitness level.

**KICKBOX** – Utilizes boxing gloves and boxing bags. Gives a great cardiovascular and muscle conditioning workout.

**PILATES FUSION** – Putting together a blend of mat work specific to the Pilates method and throwing in a smidgen of various exercise equipment. This will help create better posture, a heightened sense of precision and control on the mat.

**STEP** – Step up and down to a variety of moves.

**TRX CIRCUIT** – Fire up your core, hit every major muscle group and get ready to sweat with this total-body TRX Suspension Training workout.

**WOMEN & WEIGHTS** – Empowering women to gain confidence and be comfortable pumping iron. You will build muscle and scorch calories using a barbell and adjustable weights during a high repetition workout.

**YINYASA** - The perfect balance of yin and yang yoga. It's an innovative fusion of body-opening, long-holding yin postures with a gentle flowing vinyasa practice. This fusion along with breathe work brings you the perfect self-care class.

**Y45** - A 45 minute combination of weight training followed by high intensity intervals, calisthenics and cardio all designed to deliver a fitness aimed to help you excel both inside and out of the gym. All classes are led start to finish by a qualified instructor and with small class sizes, you will feel as if you have your very own personal trainer at every session.

**YOGA** - Joining body, mind, and spirit to achieve a full-body experience. Creating a foundation for improved flexibility, joint mobility and mental clarity.

**YOGA SCULPT** - Integrating light hand weights into a power vinyasa flow. Delivering an enhanced dynamic of strength to your traditional flow yoga class.

**ZUMBA** - A fun, Latin dance inspired workout with easy to follow steps that let you naturally move to the beat. Zumba brings together Salsa, Merengue, Samba, Raggaeon, African Beats, Cumbia and Funk.
