Camps at the Herndon Community Center

She Believes in Me was able to send thirty-five kids to camp at the Herndon Community Center this Summer! The camp was two weeks long for younger kids and one week long for teens. These children were able to enjoy swimming, go on field trips, and engage in art activities. The kids had a blast!

Worldgate Sports Camp

We were also able to send another twenty kids to a Summer camp consisting of an abundance of games and sporty activities at Worldgate. These camps helped kids get out of the house, get active, and meet new friends while doing so!

Police and Popsicles

This summer, the Four Seasons Recreation Association provided a venue for us to hold a Police and Popsicles event for children to play games with and meet local police officers, engage in fun painting and coloring activities, pick up free food, and of course... popsicles! This event was made possible through the generous donations from a Code 3 grant.

Back-to-School Distribution

On Saturday, August 19th, She Believes in Me partnered with Beacon, TIAG, NCL – Cherry Blossom, NTT Data, Octo, TVRG Homes, Alder Technology Inc, and many other volunteer donors to put on a Back-to-School supply distribution at Four Seasons Recreation Association. Children were given backpacks, school supplies, re-usable water bottles, snack packs, and more!

A Special Thank You!

She Believes in Me would like to thank our community partners who played a significant role in helping us with all these summer events: Floris UMC, Rappaport, Beacon, all our volunteers, and individual donors. These events could not have been possible without the help from our partners! Finally, we appreciate your financial support so together we can continue to help our SBIM families. You can continue your impact and donate by visiting our website!
