

HOSPITALITY WITH HEART

7 DAYS OF GIVING: JUNE 1 – 8, 2025

We're excited to announce

Hospitality with Heart

a week-long campaign uniting
British Columbia's hospitality and
tourism industries in support of the
BC Hospitality Foundation (BCHF).

From **June 1 to June 8**, join us in
giving back to an industry that continually
supports its people.

At BCHF, we're dedicated to assisting hospitality
and tourism workers facing financial hardship due to
health conditions. Through our beneficiary program,
we've helped 319 individuals by providing over
\$1.25 million in financial support.

WE NEED YOUR HELP

In just two months, requests for support have
surged—highlighting the essential role this
program plays for hospitality and tourism workers.
Your involvement ensures we can continue offering
vital assistance to those in need.

By participating, you'll directly support individuals
who serve our communities, helping them through
challenging times while strengthening BC's
hospitality and tourism industry.

WHAT BCHF WILL DO FOR YOU

Promote your participation through
our social media, press coverage, and

HEAR FROM A HOSPITALITY HERO

Robbie Kane, Owner of Café Medina

Being part of the hospitality community means giving back, and that's exactly what the Reservation by Donation program allows us to do. Last year, we raised over \$24,000 for BCHF. Our team loves being involved, and customers genuinely appreciate supporting a meaningful cause.

It's simple to manage, with minimal effort and cost required. The real reward comes from seeing the positive impact on those who need help most. I highly recommend this program to any hospitality business looking for an easy, impactful way to give back.
